

# Hardcore training for hardcore security professionals

## EXECUTIVE PROTECTION TRAINING IN ISRAEL

**Nov 9-23, 2008** Advance your career by enrolling in the most challenging Executive Protection course in Israel.

### INSTRUCTORS

Course content and instruction will be provided by MLM Protection Ltd. The instructors are former executive protection agents of the Israel Security Agency (ISA) assigned to the Office of the Prime Minister. All trainers have previously served in elite military units in addition to leading security details and instructing other agents while in service at the ISA.

### STRUCTURE

This exclusive course will be two weeks in length (approximately 12 days, 10 hours a day) with instruction in English. Course size is limited to ensure optimal interaction with the instructors.

### SYLLABUS

**Theory ::** Instruction on how to plan an advance prior to arrival of VIP; understanding the adversary's methods and motivation; facility protection; executive protection deployment strategies; assassination case studies; security while in transit and traveling abroad; first aid; education on necessary equipment for the executive protection specialist

**Tactics ::** Field instruction and repetitive drills on protecting VIPs on foot and in transit; bomb sweeping drills for open areas and for vehicles; escape and evasion methods, surveillance detection; training exercises on conducting intelligence briefs and field reports

**Combat ::** Hand to hand combat; shooting drills; counter assault techniques against armed adversary; reality based training drills

### OTHER INFO

Your tuition includes all transportation within Israel, full room and board, all equipment, daily refreshments, and an Executive Protection Course diploma upon completion. ♦ Bodyguard, Police and Security Association Membership will be offered for an additional fee. ♦ Groups welcome.
